LOI : Letter Of Intent

Introduction

The present Letter of Intent is the result of the Erasmus+ "Access To Education for All - ATENA" project and points out the commitment to share and promote the principles of Universal Design for Learning (UDL) in designing and developing Accessible Educational Materials (AEM) within the Paolo Boselli High School .

In line with Objective 4 of Agenda 2030 for sustainable development - ensuring inclusive and equal quality education and promoting lifelong learning opportunities for all - the document proposes five points that summarise the research work carried out within the project and represent the will to foster awareness and positive action in this direction.

1. The School is committed to providing a website that is accessible to the widest possible audience, regardless of technology or ability. The School intends to increase the accessibility and usability of its website and in doing so, adhere to many of the available standards and the Web Content Accessibility Guidelines.
2. The School is committed to providing professional learning and support in order to improve competencies of teachers and administration staff in the field of preparation accessible educational material and public information.
3. The School is committed to collaborating with students in order to ensure the implementation of individualised teaching/learning methods and tools according to the needs and abilities of every and each learner.

4. The School is committed to encouraging the development and use of accessible documents with the aim of meeting the specific needs of every and each student. Documents could be integrated with alternative text such as images, charts, videos etc..
5. The School is committed to sharing information and best practices and following innovations in the field of accessible content
